

# Card Sound Road Bridge Rehabilitation Project

Approach to the  
Card Sound Bridge

**LOCATION**  
**Key Largo**  
**Card Sound Road**

**CONTRACTOR**  
**Coastal Marine**  
**Construction**

**ESTIMATED**  
**PROJECT COST**  
**\$4,900,000**

## PROJECT DESCRIPTION

The County is undertaking necessary repairs to the five bridges involved in this project on Card Sound Road: Steamboat Creek, Tubby's Creek, Mosquito Creek, Saunders Creek, and Card Sound.

The work includes structural repairs to pilings, steel, and concrete; replacing a section of the bridge deck on the Saunders Creek Bridge; and installing new guardrails.

Due to the proximity to water, work will be performed with proper environmental controls in order to minimize impacts.

## CURRENT ACTIVITY

The Board of County Commissioners awarded the contract for construction to Coastal Marine Construction, and to Parsons Brinckerhoff for Construction Inspection, in December 2006.

Required permits from the Department of Environmental Protection (DEP) and the U.S. Army Corps of Engineers have been obtained.

A pre-construction meeting will be held shortly, after which the Contractor will begin procuring materials. Site activities will commence in early Spring 2007, and are expected to continue for 12 months.
